

## **Driller**

**Want to earn up to \$35 per hour?** CATLIN is currently seeking experienced Drillers with CDL License to be based out of our Wilmington, NC office. Home based mobilization is also an option for the right candidate. Geotechnical and/or Environmental Drilling experience is required. We are offering very competitive hourly rates with full benefits (paid travel time, paid time off, health/dental/vision insurance, 401K, profit sharing, short/long term disability, life insurance), depending on years of experience and level of drillers license. We offer a variety of different types of subsurface investigative work with multiple rigs, as well as additional long term career growth opportunities.

Our work is typically local to eastern North Carolina and usually not on weekends. Enjoy a fulfilling and exciting drilling career during the week and our world renowned NC Beaches and waterways on the weekend! Why drill for anyone else? We are a locally owned, small firm with 34 years in the industry. Please submit your resume or qualifications to [employment@catlinusa.com](mailto:employment@catlinusa.com).

Must be self motivated, hard working, works well in a team environment, able to lift and carry at least 50 lbs and work in all weather conditions. Overnight travel is routinely required. Pre-employment, random drug testing and criminal background check required. Position requires clean NC driving record, NC CDL Class A or ability to obtain, obtain military base clearance. CATLIN is an equal opportunity employer.

Come join the growing CATLIN team!
